

Coalesse Material Capabilities

Hardwoods. Stone. Composites.

**Coalesse invites you to participate and make
your mark — with *materials*.**

coalesse®

Materiality has the power to bring a warm, inviting sensibility to work. Coalesse Material Capabilities allow you to add sensory richness to the workplace — by expanding your material choices through our custom capabilities. New solid materials including select *hardwoods*, *stone* and *composites* are now available on select Coalesse tables through our Specials process — to make personalization easy.

Solid Natural Materials

Select hardwood and stone choices create enduring surfaces that can last and improve with age for generations. Every table is unique and a beautiful expression of natural materials.
